Fine Arts Circle, Santa Cruz de Tenerife, Spain, 2007.

D.L. 418-2007

“ Jappy new year is no more than a brief, reflection about the identity and the idea of the other as the eternal unknown, showing irony and a transversal concern regarding the use of the media (non-communication) and the convulsive consumption of images that lapidate values and parallel realities of our everyday life.”

*Lecuona Beatriz y Hernández Óscar*

*2007*
